SUBJECT: **Announcements – November 9, 2026 Board Meeting**

I. Board Member Changes

Douglas Samuelson has been reappointed to the board by the Fairfax County Board of Supervisors. Mr. Samuelson is a consumer representative.

2. Certificate of Public Need Activities

A. Commissioner of Health COPN Decisions

The Commissioner of Health has approved the Inova Health Care Services COPN application to add forty-eight medical surgical beds at Inova Loudoun Hospital, COPN Request VA-8866. HSANV recommended approval of the application on April 13, 2026. Virginia DCOPN staff recommended denial of the application. An IFFC (informal fact-finding conference) was held on June 8, 2026. A copy of the case decision memorandum is enclosed.

The Commissioner of Health has approved the Fairfax Colon & Rectal Surgery COPN application to establish an outpatient surgical hospital (COPN Request VA-8833). HSANV recommended approval of the application on May 11, 2026. The DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the Heart & Vascular Specialists COPN application to establish a cardiac PET-CT service (COPN Request VA-8876, VA-05004). HSANV recommended approval of the application on June 8, 2026. The DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the Insight Health Corporation to establish an MRI service in Prince William County (COPN Request VA-8886, VA-05000). HSANV recommended approval of the application on June 15, 2026. Virginia DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the Inova Fair Oaks Hospital COPN application to establish a CT scanning service in Gainesville, VA (COPN Request VA-8881, VA-05005). HSANV recommended approval of the application on June 8, 2026. The DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the IFRC COPN application to establish a CT scanning service (COPN Request VA-8889). HSANV recommended approval of the application on June 8, 2026. DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the IRMC COPN application to establish a PET-CT service in Loudoun County, VA (COPN Request VA-8890, VA-05007). HSANV recommended approval of the application on June 8, 2026. DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the Inova Alexandria Hospital COPN application to expand its MRI service (COPN Request VA-8880, VA-04998). HSANV recommended approval of the application on June 15, 2026. Virginia DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the Inova Loudoun Hospital, a COPN application to expand its MRI service (COPN Request VA-8882, VA-04999). HSANV recommended approval of the application on June 15, 2026. Virginia DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the Loudoun VA PropCo COPN application to add twenty-four beds at Loudoun Rehabilitation and Nursing Center (COPN VA-8870, VA-05010). HSANV recommended conditional approval of the application on April 13, 2026. The DCOPN staff recommended denial of the application. An informal fact-finding conference was held on June 2, 2026.

The Commissioner of Health has approved the VHC Health COPN application to establish a cardiac PET service in McLean, Virginia (COPN Request VA-8855). HSANV recommended approval of the application on March 2, 2026. Virginia Division of Certificate of Public Need (DCOPN) staff also have recommended approval of the application.

The Commissioner of Health has approved the VHC Health COPN application to add a cardiac catheterization laboratory, COPN Request VA-8869. HSANV recommended approval of the application on April 13, 2026. The DCOPN staff recommended conditional approval of the application.

The Commissioner of Health has approved the Franconia Springfield Surgery Center II COPN application to add two general purpose operating rooms (COPN Request VA-8835). HSANV recommended approval of the application on September 15, 2025. Virginia Division of Certificate of Public Need (DCOPN) staff recommended partial approval of the application, authorization of two general purpose operating rooms rather than the four rooms requested. An IFFC (informal fact-finding conference) was held on January 21, 2026, on the question of the number of operating rooms to be authorized. The four operating rooms requested originally have been authorized.

The Commissioner of Health has approved the IRMC COPN application to establish an MRI service in Fairfax County (COPN Request VA-8848). HSANV recommended approval of the application on January 5, 2026. The Virginia Division of Certificate of Public Need (DCOPN) staff also recommended approval of the application.

The Commissioner of Health has approved the Carient Heart & Vascular COPN application to introduce CT calcium scoring at its Manassas, VA service (COPN Request VA-8813). HSANV recommended approval of the application on June 9, 2025. Division of Certificate of Public Need (DCOPN) staff also recommended approval of the application.

The Commissioner of Health has approved the Carient Heart & Vascular, a COPN application to introduce CT calcium scoring at its Vienna, VA service (COPN Request VA-8814). HSANV recommended approval of the application on June 9, 2025. DCOPN staff also recommended approval of the application.

B. Commissioner of Health COPN Decisions Pending

Inova Fairfax Hospital, a COPN application to expand its radiation therapy service (COPN Request VA-8894). HSANV recommended approval of the application on August 31, 2026. DCOPN staff also recommended approval of the application.

The Centers for Advanced Urology, a COPN application to establish a PET service (COPN Request VA-8879). HSANV recommended denial of the application on August 31, 2026. DCOPN staff also recommend denial of the application. An IFFC (informal fact-finding conference) was held on September 28, 2026.
